

1

BACKGROUND

Project: All-Access Mobility Plan (AAMP)

Federal Grant: FTA's Areas of Persistent Poverty (AoPP) Program

- Grant Award: \$630,000
- Awarded: 2023

Implementation Outlook:

- No identified funding for AAMP implementation
- RTC's priority is to secure a long-term transit funding solution that may help with future implementation of AAMP
- Exploring partnership opportunities

  LET'S GO TOGETHER ALL-ACCESS MOBILITY PLAN

2

PROJECT VISION

The RTC will develop a community-driven **action plan** that aims to **expand transportation access** through enhanced transit facilities/amenities and multimodal transportation infrastructure.

TRAININGS SERIES

- **PURPOSE:** Strengthen local capacity for **community-centered** transportation planning and investment.
- Led by **Charles T. Brown**, a nationally-recognized leader in planning and policy.
- Designed for **community leaders** passionate about expanding access and improving mobility in underserved neighborhoods.
- Will culminate in the development of a **Mobility For All Investment Guide**.
