NOTICE OF PUBLIC COMMENT PERIOD FOR AMENDMENT 25-07 TO THE LET'S GO 2050 REGIONAL TRANSPORTATION PLAN AND 2025-2029 TRANSPORTATION IMPROVEMENT PROGRAM

The Regional Transportation Commission of Southern Nevada (RTC) is seeking public comment on Amendment 25-07 to the Let's Go 2050 Regional Transportation Plan (RTP) and 2025-2029 Transportation Improvement Program (TIP). The TIP document reflects the transportation improvement priorities in the first five years of the RTP. Federal regulations require the RTP and TIP to be amended when there are major adjustments to program elements. Project sponsors requested this amendment to add new projects and modify existing projects and funds.

RTC has determined that the changes requested by the project sponsors to the RTP meet air quality requirements. Project details and the air quality conformity determination will be available at www.rtcnv.com during a 30-day public comment period from Friday, April 10, 2026, to Saturday, May 9, 2026. Staff will also be available to provide information and receive comments at the following public meeting:
