

ROADWAY FUNDING

Investing In Our Community, One Gallon At A Time

WHAT IS ROADWAY FUNDING?

Roadway funding revenue is collected locally through Motor Vehicle Fuel Tax (MVFT), including Fuel Revenue Indexing or FRI, and Sales Tax. This revenue provides the necessary funds for the RTC and local jurisdictions to advance projects that will improve commutes, enhance pedestrian safety and create jobs to make our communities better places to live, work and play – now and in the future.

ROADWAY IMPROVEMENTS

INTERSECTION & TRAFFIC SIGNAL DEVELOPMENT

PROGRESS REPORT

ALL ROADWAY FUNDING

(Motor Vehicle Fuel Tax, Fuel Revenue Indexing, and Sales Tax)
