4. **STATUS OF PARTIES: INDEPENDENT CONTRACTOR.** The Parties are associated with each other only for the purposes and to the extent set forth in this Contract and in respect to performance of services pursuant to this Contract. In the performance of such services, the RTC shall at all times be an independent entity with respect to the Health District. The RTC is not an employee or agent of the Health District. The Health District shall notify the RTC in writing of any Adverse Findings and recommendations as a result of the fiscal monitoring. Adverse Findings are defined as Lack of Adequate Records, Administrative Findings, Questioned Costs, and Costs Recommended for Disallowance. payments shall be adjusted in accordance with said audit.

6.02 The RTC shall schedule an annual financial audit and shall submit a copy to Health
District for review within six (6) months following the close of the RTC's fiscal
year. Failure to meet this requirement may result in loss of current funding and
disqualification from consideration for further Health District administered funding.
This audit shall be made by an independent auditor in accordance with generally
acceptable accounting principles. This requirement applies equally to any
subcontractor of the RTC that receives funding under this Contract. The RTC shall
include this requirement in all its subcontractor agreements. Any subcontracts
prepared by the RTC shall be furnished to Health District to ensure conformance
with all requirements.

6.03 The RTC shall make appropriate corrections within six (6) months after receipt of
an audit report to remedy any material weaknesses identified by the audit report.
Health District may withhold payment for non-correction of material weaknesses
identified by the audit report in addition to its right to terminate this Agreement.

6.04 Contractors receiving a combined total of $750,000 or more annually from any
combination of federal funding sources are subject to federal audit requirements per
Public Law 98-502, "The Single Audit Act". The RTC shall comply with OMB
Circular A-133 and 2 CFR, Parts 215 and 230 as applicable. The single audit report

Health District for review within (6) months following the close of the fiscal year
which occurs within the project period of this Contract.

7. **BOOKS AND RECORDS.**

7.01 Each Party shall keep and maintain under generally accepted accounting principles
full, true and complete books, records, and documents as are necessary to fully
disclose to the other Party, properly empowered government entities, or their
authorized representatives, upon audits or reviews, sufficient information to
determine compliance with the terms of this Contract and any applicable statutes
and regulations. All such books, records and documents shall be retained by each
Party for a minimum of three years, and for five years if any federal funds are used

8. **CONFIDENTIALITY.** No protected health information as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or personally identifiable information will be shared with the RTC during the course of this Contract. Accordingly, no Business Associate Agreement is required.

9. **BREACH; REMEDIES.** Failure of either Party to perform any obligation of this Contract shall be deemed a breach. Except as otherwise provided for by law or this Contract, the rights and remedies of the Parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including but not limited to actual damages, and to a prevailing Party, the right to seek reasonable attorneys’ fees and costs.

10. **WAIVER OF BREACH.** Failure to declare a breach or the actual waiver of any particular breach of this Contract or its material or nonmaterial terms by either Party shall not operate as a waiver by such Party of any of its rights or remedies as to any other breach.

11. **LIMITED LIABILITY.** The Parties will not waive and intend to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both Parties shall not be subject to punitive damages. To the extent applicable, actual agreement damages for any breach shall be limited by NRS 353.260 and NRS 354.626.

12. **FORCE MAJEURE.** Neither Party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the Party asserting such an excuse, and the excused Party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

13. **INDEMNIFICATION.** Neither Party waives any right or defense to indemnification that may exist in law or equity.

14. **NON-DISCRIMINATION.** As an Equal Opportunity Employer, The RTC has an ongoing commitment to hire, develop, recruit and assign the best and most qualified individuals possible. The RTC employs employees without regard to race, sex, color, religion, age, ancestry, national origin, marital status, status as a disabled veteran, or veteran of the Vietnam era, disability or sexual orientation. The RTC likewise agrees that it will comply with all state and federal employment discrimination statutes, including but not limited to Title VII, rules enforced by the Nevada Equal Rights Commission, and the American with Disabilities Act, in connection with this Agreement.

15. **SEVERABILITY.** If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist, and the nonenforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
16. **ASSIGNMENT.** Neither Party shall assign, transfer or delegate any rights, obligations, or duties under this Contract without the prior written consent of the other Party.

17. **PUBLIC RECORDS; CONFIDENTIALITY** Pursuant to NRS 239.010, information or documents, including this Contract, and any other documents generated incidental thereto may be opened by the Health District to public inspection and copying. The Health District will have a duty to disclose unless a particular record is made confidential by law or a common law balancing of interests.

18. **PROPER AUTHORITY.** The Parties hereto represent and warrant that the person executing this Contract on behalf of each Party has full power and authority to enter into this Contract and that the Parties are authorized by law to perform the services set forth in the documents incorporated herein.

19. **ENTIRE AGREEMENT.** This Contract constitutes the entire Agreement between the Parties and supersedes any prior contracts or agreements between the Parties regarding the subject matter hereof.

20. **AMENDMENTS.** This Contract may be amended only by a writing signed by a duly authorized agent/officer of each Party and effective as of the date stipulated therein.

21. **GOVERNING LAW.** This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to the laws of the State of Nevada, with Clark County, Nevada as the exclusive venue of any action or proceeding related to or arising out of this agreement.

The updated plan will be included as an appendix to the Regional Transportation Plan (RTP) and will help the RTC identify and prioritize funding for bicycle and pedestrian infrastructure and could influence road design and construction to accommodate such facilities in the future. The Regional Bicycle and Pedestrian Plan will address how Southern Nevada measures performance for bicycling and walking in accordance with federal mandates. The updated plan will support the inclusion of elements that meet the RTC's Complete Streets Policy and will help determine project prioritization for regional funding programs.

Compile recommendations that will be used to inform plan revisions.

   iii) Convene an advisory committee of key stakeholders and coalition members to help inform and guide plan development. The advisory committee will meet at least quarterly until the revised plan is adopted. Prepare and distribute advisory committee minutes.

   iv) Attend required meetings and maintain involvement in related coalitions, safety task forces, and work groups including Partners for a Healthy Nevada coalition.

   v) Develop a Stakeholders Participation Plan to document public and agency involvement and to identify outreach strategies (project website, public surveys, stakeholder interviews, etc.) to share plan development updates.

   B. The RTC will provide monthly written program reports to Health District. The program report will be attached to the monthly invoice.
